

To,
Mr. Conrad Sangma
Chief Minister
Government of Meghalaya
Shillong,

11/06/2021

Subject : Additional Complaint about the claim by Labour Department about the release of Rs. 2100 under "8000-Contingency Fund- 238-2230-Labour Employment & Skill Development-01-Labour-111-Social Security for Labour (05) Chief Minister's Relief Against Wage Loss Scheme-50- Other charges-General" and Rs. 5000 under Meghalaya Building And Other Construction Workers Welfare Board.

Sir,

On 01/06/2021, we had submitted an email complaint regarding the non release and partial release of income support, ghost names and ghost phone numbers and wrong locations under "8000-Contingency Fund- 238-2230-Labour Employment & Skill Development-01-Labour-111-Social Security for Labour (05) Chief Minister's Relief Against Wage Loss Scheme-50- Other charges-General" and "Meghalaya Building And Other Construction Workers Welfare Board" during the pandemic. **Till date there has been no response and official acknowledgement of the complaint.** This non response goes against the very basis of a citizen-centric administration and we hope that there is an acknowledgement soon.

In our original complaint dated 01/06/2021, we had said that we would be forwarding additional complaints and enquiries by the citizens about the implementation of the aforementioned schemes. From the responses received, it is clear that there are many people who did not receive the complete amount, including many who did not receive anything even though their names appear in the list. There were many who received partial benefit but their names or phone numbers did not appear in the beneficiary list. It is also clear that most people who applied for the support were not considered for the support, despite having provided all necessary documents and meeting the criteria. We reiterate our demands:

1. Immediate emergency independent and timebound enquiry into the implementation of the schemes.
2. Immediate release of all pending dues in full to all beneficiaries which your office claims to have transferred.
3. Transfer of support to those who had registered and yet did not find their names on the list if they fulfil the criterion.
4. A dedicated helpline for people to lodge their complaint about non-receipt of funds.
5. Put in the public domain complete bank transfer details of Labour department for the last two years.

In addition, we demand immediate income support for the second wave of COVID 19 lockdowns, beginning End April 2021, for all daily wage earners including farmers, Taxi drivers, hawkers, domestic workers, small shop keepers and workers and labourers. This is to be carried out simultaneously and in a time bound manner and should be carried out with utmost transparency and accountability by having an open public portal where people can immediately check the status of their applications and by having a dedicated helpline where applicants can make inquiries. The government has to ensure that the pandemic does not make the citizens *crawl* to access their rights and benefits

In anticipation

Thanking you,

Angela Rangad (Thma U Rangli-Juki / TUR)
Kenneth Swer (Workers Power of Meghalaya)
